THE HARTLEY HOSPITAL, COLNE.

THE Hospital, fully equipped, was the gift to their native town, by the late Sir William and Lady Hartley, and was opened on the 21st June, 1924, by Miss Christiana Hartley, J.P., of Southport. The Hartley Hospital superseded the Colne Jubilee Cottage Hospital, also the gift of Sir William and Lady Hartley, which was opened on the 20th April, 1900.

The Hartley Hospital stands on the northerly side of the highway leading from Colne to Keighley. The site rises steeply from the highway, and the buildings are set back 100 feet, the intervening space being laid out in terraced lawns. The whole site occupies an area of about $4\frac{1}{2}$ acres.

ACCOMMODATION.

Women's Ward.—66ft. long, 27ft. wide, 12ft. high; Sixteen beds, with day room and necessary conveniences.

Children's Ward.—30ft. long, 22ft. wide, 11ft. high; Eight beds and one baby's cot, with day room and necessary conveniences.

Men's Ward.—50ft. long, 27ft. wide, 12ft. high; Twelve beds, with day room and necessary conveniences.

Private Wards.—Four in two pairs, each pair having its own bathroom and sanitary accommodation.

Emergency or Isolation Ward—Two beds.

Operating Theatre, with sterilising and anæsthetising rooms; Dispensary, etc.

An extension of the buildings was completed during the year 1934 to accommodate new X-Ray Department and Out-Patients' Department, with waiting hall, Consulting and Treatment Rooms.

A suite of Sitting Rooms, with Kitchenette, etc., were completed and occupied by the Nursing Staff in October, 1939.

The Hospital serves the Borough of Colne and the adjoining districts of Trawden and Foulridge.

REPORT

For the Year 1946

The Board of Management have pleasure in presenting the Forty-Seventh Annual Report for the year 1946.

From a modest beginning 47 years ago, there has grown a comprehensive local hospital service covering a wide range of medical, surgical and remedial activity. This is shown by the statistical summary of the work accomplished at the Hartley Hospital during the past year.

At the present time the many friends of the hospital are naturally asking — What of the future? It is now possible to say how the National Health Service Act, 1946, which has become law, will affect the administration of the hospital. Under the Act, the Minister of Health will, as from the 1st April, 1948, become responsible for providing the whole of the health services of the country and for that purpose he will be entrusted with the ownership of all existing hospitals, voluntary and other. The Minister will be advised by a Central Council of experts and will delegate many of his powers regarding the hospital services to (a) Regional Hospital Boards who will be responsible for the regional planning and provision of hospital services and (b) to Management Committees who will be responsible for the control and management of their own hospitals.

It is considered of vital interest and advantage that the patient should regard the local hospital as his own, even though under the National Health Service, it may work closely with other hospitals in an organised service for a larger district.

The new Management Committee to be appointed under the Act, will have the duty of controlling and managing the hospital and will be composed of local people with local knowledge. The Management Committee will have a definite control of the spending of money on its hospital. Having budgetted the cost of its Services under the State scheme, the Committee will receive lump sum payments for the expenditure of which it will be responsible.

It will be possible for the hospital to have money which can be spent at will in the provision of comforts for the patients and staff and generally in improving its services. Thus patients and others will still be able to give to the hospital sums large or small for specific purposes, which will be solely the property of the hospital.

The Board make an urgent appeal for generous financial support to enable the work to be continued during the year 1947, and the hospital to be maintained in accordance with the high standard for which it has been in the past so proud. The hospital has hitherto paid its way and it is the wish of the Board that the Institution should not close its career as a Voluntary Hospital, in debt.

During the year under review, 2652 patients received attention at the hospital, of whom 877 were in-patients and 1775 were out-patients.

The average number of beds occupied was 35 and the average length of stay of patients in the hospital was 18 days.

554 Surgical operations were performed.

50 Accident cases were admitted to the hospital.

Of the out-patients, 656 attended the X-Ray department; 236 for eye examination and treatment; 256 for Ear, Nose and Throat; 26 for daily dressings; 55 for accidents and minor operations; 381 for consultations, examinations and treatment; and 165 received therapeutic treatment. The X-Ray department dealt with a total of 850 patients—194 in-patients and 656 out-patients, and in the Physiotherapeutic department, 261 treatments were given to 96 in-patients and 165 out-patients.

During the year 6060 visits were paid by the two District Nurses to the homes of 280 patients.

Since the year 1904, trained nurses have been maintained out of hospital funds for the home nursing of such patients as the Doctor in attendance may require, but under the National Health Service Act, 1946, the duty of providing for the attendance of nurses on persons who require nursing in their own homes will devolve upon the County Council as the responsible local health authority as from 1st April, 1948.

A recurring item of the annual reports has been the expression of thanks for services rendered during the year under review, but it is in no ordinary or formal sense that the Board again record their high appreciation of, and thanks for, the valuable services rendered during the past year by members of the honorary medical staff, also of the important work done by the visiting Consultants, Surgeons and Physicians on behalf of patients.

In March, Dr. J. Baird Aitken, J.P., retired from the medical staff of the hospital after 25 years of devoted service and his place was taken by Dr. T. R. Davison.

The loss by death of Dr. A. W. Eadie is deeply deplored. Dr. Eadie had a record of service to the hospital extending over 22 years and did much to extend the scope of its usefulness. His place on the staff has been taken by Dr. J. G. Eadie.

Mr. A. J. McCreadie, M.B., Ch.B., F.R.C.S., has been appointed to the panel of visiting Surgeons and Mr. T. Fawcett-Dixon, L.D.S., has been appointed a Dental Surgeon to the hospital.

To the Matron and her Nursing and Domestic Staff the Board again express grateful appreciation for the untiring and efficient way in which they have carried out their duties.

The ladies of the Linen League have again come forward with their annual gift of linen, garments etc., of the value of £167/0 5d. The Board express thanks for the same which is especially welcome under present conditions and more than ever appreciated.

Generous friends again contributed to Matron's Christmas Fund or provided gifts in kind which enabled the patients to enjoy seasonable fare and entertainments.

The thanks of the Board are given—

To the many who have sent gifts and comforts for patients throughout the year.

To the members of the Police Force and St. John Ambulance Corps for their willing help on many occasions.

To all others who have in various ways contributed to the work of the hospital.

Appended to this Report are detailed lists of subscriptions, donations and the proceeds of special efforts made by individuals and Societies, the receipt of which is gratefully acknowledged.

The Endowment Fund amounts to £52,232/4/5d. At one time it was feared that under the National Health Service Act, the Endowment Fund of the hospital would be diverted from its original purpose, and that the personal link between donors and the hospital would be irretrievably broken. It is true that the Endowment Fund will by virtue of the Act, be transferred to the Minister of Health, and will, when the service comes into operation, be put into a national pool and re-distributed. These moneys will not however, be taken by the Treasury nor in any way offset against the Treasury payment for the cost of maintaining the hospital. This re-allocation of past benefactions will occur once only.

The Act provides that gifts of the undermentioned character made after the 6th November, 1946, to a Voluntary Hospital will not be pooled, so long as the gifts are made upon trusts and provide:—

- (a) for the administration of the property (i.e., gifts) as a capital fund separate from the general funds of the hospital.

(b) for the application of the property (i.e., gifts) for some specific object distinct from the general purposes of the hospital and involving expenditure of a capital nature.

The new Management Committee will continue to apply these moneys according to the general or specific intention of the donor.

The expenditure incurred during the year in maintaining the hospital and all its services was £12,454/13/4d.; District Nursing cost £531/1/2d.; which with £1,391/1/6d. paid for the treatment of contributors in other hospitals, brings the total expenditure to £14,376/16/0d. This is an increase of £6,287 or 44% over the total expenditure for the year 1938, due chiefly to the higher cost of materials and salaries and partly to the expansion of the work undertaken.

The total income for the year amounted to £12,518/15/5d. and was derived from the following sources: Annual subscriptions, donations and the proceeds of special efforts, £2,657/16/0d.; the Voluntary Weekly Contributory Scheme, £5,575/7/10d.; Services to patients, £1,885/7/0d.; Grant towards Nurses increased salaries, £368/10/0d.; from invested funds, £1,844 2/3d.; District Nursing, £131/8/0d. and miscellaneous items £56/4/4d.

Thus there was an excess of expenditure over income for the year of £1,858/0/7d. As the balance of £776/11/3d. brought forward from 1945 accounts was insufficient to meet the deficiency, the Board have had to meet the unusual position in the finances of the hospital by taking the £1,400 from the reserve account in order to meet the expenditure and allow £318/10/8d. to be carried forward to the account for 1947.

The Voluntary Weekly Contributory Scheme realised the record sum of £5,575/7/10d., an increase of £359/13/2d. over the amount received from this source during the previous year. £1,391/1/6d. was paid to other hospitals for the treatment of contributors, reducing by that amount the money available for the maintenance of the Hartley Hospital and for District Nursing.

The Board again thank Employers and their office staffs for assisting so willingly in the collection and remitting of weekly contributions, without which help the scheme could not be so efficiently carried on.

The three elective members of the Board who retire in accordance with rule are: Mr. J. W. Greenwood, J.P., Alderman E. Duckworth, J.P. and Miss A. A. Schofield-Clegg, J.P., and they are eligible for re-election.

On behalf of the Board,

ROBERT DUCKWORTH, Chairman
H. W. CROASDALE, Secretary.

VOLUNTARY WEEKLY CONTRIBUTORY SCHEME RULES

- 1.—The funds raised by the weekly contributions shall be applied:—
- (a) In the maintenance of the Hartley Hospital.
 - (b) In maintaining the services of district nurses.
 - (c) In contributing **towards** the cost of the consultations of specialists.

2.—Contributors in need of benefits must in all cases present to the Organising Secretary at his office, 2a, Albert Road, Colne, a form obtained from their medical attendant before either a recommend for any hospital or authority to visit a specialist can be issued. In cases of grave urgency the form must be presented as early as possible.

3.—Twenty-six weeks after entry to the scheme, contributors, or their dependents* shall be entitled to:

- (a) Maintenance and Nursing without charge in the general wards of the Hartley Hospital.
- (b) A voucher for admission for special treatment (not maintenance charges) or for the consultation of specialists at other hospitals with whom arrangements have been made

4.—In the event of admission to any Hospital outside Colne the contributor should communicate with the Organising Secretary at the earliest opportunity.

5.—All benefits under the scheme will cease at the expiration of 26 weeks from the date of discontinuance of contributions to the fund.

6.—In urgent cases where it may be necessary, on the advice of the medical attendant, to consult a specialist at the home of the patient, a grant (not exceeding £1 1s. 0d.) may be made towards the cost incurred; providing that the conditions of Rules 2 and 3 above have been complied with.

7.—No responsibility will be accepted for any fees or expenses incurred by contributors or members of their families visiting specialists on their own initiative. No payment will be made for any treatment or operation by specialists privately arranged.

8.—**No payment** will be made from the Hospital funds for any expenses incurred for treatment in any private nursing home or private ward of any hospital, nor can contributions be made from the funds for any surgical or other appliances required by contributors.

9.—The funds shall not be applied in providing for treatment of infectious or contagious disease, tubercular (except surgical treatment), mental diseases, or maternity patients; such patients being otherwise provided for.

10.—Contributors may appeal to the Board of Management in any case not dealt with in the rules, and the decision of the Board shall be final.

11.—Contributors may make their weekly payments through the firm by whom they are employed or as individual contributors direct to the Organising Secretary.

12.—A meeting of the representatives of contributors shall be held annually to receive the report of the year's work and the application of the funds, and to elect representatives to serve upon the Board of Management.

** Dependents shall only include the wife and children (under 16 years of age) who are not workers.*

The basis of the scheme is the payment of **2d.** per week on earnings under £2 and 3d. per week where the earnings are £2 and over, such contributions to be deducted from weekly earnings by the employer, or paid direct at the office, 2a, Albert Road, Colne.

SUMMARY OF AMOUNTS RECEIVED UNDER THE WEEKLY CONTRIBUTORY SCHEME.

The Funds are applied in maintaining the Hartley Hospital, the
specialised treatment of patients in other Hospitals and
District Nursing.
